# REACH OVER 45,000 POTENTIAL CUSTOMERS OVER 4 DAYS!

The Siesta Key Crystal Classic is a visual and cultural arts festival held on Siesta Beach every November. Celebrating our 13th year, the festival has hosted over 300,000 attendees on our #1 beach, with over 125,000 of these visitors hailing from outside of Sarasota County.

Among the many family-friendly activities that the festival hosts during its 4 days, the event that keeps visitors coming back every year is the master sand sculpting competition that is held during the first 3 days of the festival's opening. This competition attracts 24 master sculptors who compete for prize money. In just 24 sculpting hours, the master sculptors create sand masterpieces, some over ten feet tall, and transform the always beautiful Siesta Beach into an outdoor art gallery. It represents some of the most beautiful, ephemeral works of art your eyes will ever see.

And it's more than just sand...the festival also features live music along with a large village of shopping and food and drink vendors. Other activities include the popular three day "Quick Sand" competition, sand sculpting lessons and an amateur competition. And, hours are extended on Saturday until 9 pm with colored lights on all the sculptures!

The community sponsor sculpture which is carved out of our Siesta sand by these masters when they arrive is the centerpiece of the festival. All activities take place on or near this sculpture throughout these 4 days. Your company logo and brand would become a part of that community centerpiece as one of our partners.

Support from local businesses make the difference in the success of this event and we are truly grateful for your generosity. Thank you in advance for your consideration of sponsoring the 13th Annual Siesta Key Crystal Classic.
